

Interested in Engineering?

**Good at Math? Like Science?
Discover an Engineering Career through Exploring.**

Our goal is to get high school age students excited about their future in engineering by introducing multiple engineering disciplines and activities.

Past Activities: Soldering kits, Skiing in Gatlinburg, Turned light into sound, Field Trips to Construction and Industrial sites, Community Service, and many Engineering Challenges.
Past Awards: First Place in Engineering Design, Urban Orienteering, Mock Trial

FIELD TRIPS

**ENGINEERING
CHALLENGES**

Join us at our first meeting on September 13, 2011, 6PM,
Gulf Power Corporate Office, One Energy Place, Pensacola, 32520.

Open to any high school student at least 14 years old. Membership is \$25 (\$20 if paid by 10/11/11) for the school year, which includes a t-shirt and project supplies.
